

Meet Your Bartlett Arborist Representative

Jason Pearn

Arborist Representative

Jason graduated with honors from East Stroudsburg University with a Masters in Clinical Exercise Physiology with a focus in cardiac rehab. His first exposure to tree work involved removing storm damaged trees off of houses in New Orleans in the aftermath of 2005's Hurricane Katrina. He continued working in the green industry in between semesters of college.

Jason quickly developed a strong interest in the science of tree care. He began his career with Bartlett Tree Experts in 2013, becoming a Crew Leader for Bartlett in 2014. Jason has experienced all aspects of tree care, preparing him for his current position as an Arborist Representative.

Jason is an ISA Certified Arborist and Certified Tree Care Safety Professional.

Jason grew up traveling the world, as his father was a Master Gunnery Sergeant in the Marines Corps. He has lived in New Jersey; Okinawa, Japan; Quantico, Virginia; and San Diego, California before his family returned home to the King of Prussia area.

Jason enjoys woodworking, traveling, and spending time with family.

Certified Treecare
Safety Professional

About Bartlett Tree Experts

Founded in 1907, Bartlett specializes in preventive health care for your trees and shrubs including soil management, insect and disease management, and general tree maintenance such as pruning, cabling and bracing, lightning protection, planting and removal. Bartlett brings the resources of world-class research right to your home via its Certified Arborists and Arborist Representatives. Bartlett is a family-owned, international company with over 100 offices located throughout the United States, Canada, England, and Ireland.
