

# Meet Your Bartlett Arborist Representative

## Mike McGowan

### *Arborist Representative*

Mike has been a Certified Arborist and Tree Risk Assessor with the International Society of Arboriculture (ISA) for over 20 years. After earning an Associate Degree in Forestry from Paul Smith's College, he went on to graduate with a Bachelor of Science Degree in Environmental and Forest Biology from SUNY College of Environmental Science and Forestry. He began his love of arboriculture as a Consulting Utility Arborist for the Pacific Gas and Electric company in the Bay area of California and then joined the San Rafael office of Bartlett Tree Experts in 1996. The East Coast called and Mike transferred to the Elmsford, NY office in 2001 where he has enjoyed sharing his expertise, speaking at local Garden Clubs, being involved in town projects and serving on panels conducted by the Bronx Botanical Gardens. Described as "always professional and always a pleasure to work with", Mike truly enjoys the relationships he has with his clients, helping to educate them and maintain the health and beauty of their landscape.

## About Bartlett Tree Experts

Founded in 1907, Bartlett specializes in preventive health care for your trees and shrubs including soil management, insect and disease management, and general tree maintenance such as pruning, cabling and bracing, lightning protection, planting and removal. Bartlett brings the resources of world-class research right to your home via its Certified Arborists and Arborist Representatives. Bartlett is a family-owned, international company with over 100 offices located throughout the United States, Canada, England, and Ireland.
