

Meet Your Bartlett Arborist Representative

Aaron Piselli

Aaron's interest in horticulture began when he was young, mowing lawns for his brother's small landscape business. He graduated from Virginia Tech in 2017 with a Bachelor of Science in Environmental Horticulture.

Shortly after, he began his career with Bartlett Tree Experts in 2018. Aaron is an International Society of Arboriculture Certified Arborist.

Aaron enjoys working with customers as an Arborist Representative, caring for their trees and shrubs. He likes sharing his expertise, digging deeper to diagnose plant health, and discovering his clients' specific goals for their landscapes. He loves spending time with his wife Kelly and their two young children. In his free time, he enjoys being outside, woodworking and gardening.
