

**BARTLETT
TREE EXPERTS**

SCIENTIFIC TREE CARE SINCE 1907

Meet Your Bartlett Arborist Representative

Ben Edmonds

Ben has a BSc in Applied Ecology. After graduating in 1996, he worked internationally for a few years on ecological projects. When he returned to the UK, Ben became a trainee tree surgeon and as he advanced, his passion for tree care led him to establish Canopy Tree Services in 2004. Under his leadership, the company grew into a respected Arboricultural Association Approved Contractor. Bartlett Tree Experts acquired the company in 2024.

Ben holds a Technician Grade Membership with the Arboricultural Association and has completed numerous courses, including on tree disease, veteran trees, and development sites. His extensive arboricultural experience ranges from tree surgery to hazard surveys. Ben enjoys consulting with clients to help them make informed decisions to maintain the health and beauty of their trees and shrubs.

In his free time, Ben is a keen runner and cyclist. He participates in marathons and other long distance cycling events across Europe.
