

**BARTLETT  
TREE EXPERTS**

SCIENTIFIC TREE CARE SINCE 1907

## Meet Your Bartlett Arborist Representative

### Bobby Fralix

Bobby's rural South Carolina background helped him to develop a love for the outdoors. He first learned about caring for plants through his job experience working as a farmhand after class in high school.

He is a graduate of Clemson University with a Bachelor of Science degree in Agriculture and Mechanization and Business with a minor in Agribusiness. While at Clemson, he was an employee of the South Carolina Botanical Gardens, gaining practical experience in arboriculture.

When Bobby joined Bartlett Tree Experts, he quickly realized that he was dedicated to understanding more about the scientific care for trees and shrubs. His passion and enthusiasm for arboriculture convinced him he had found a life-long career.

As a local Arborist Representative Bobby services Aiken, North Augusta and surrounding South Carolina communities in the CSRA.
