Meet Your Bartlett Arborist Representative

Brian Trombley

Brian was born and raised in Connecticut. He grew up with a strong interest in all fields of science and a love for working outside. Arboriculture involves both, and Brian entered the field in 2018 as a line clearance arborist with a tree company in Connecticut. He moved to Virginia and joined Bartlett Tree Experts in 2020. As his career advanced, Brian held positions including Groundperson, Arborist Climber, Crew Leader and Plant Health Care Specialist prior to becoming an Arborist Representative.

An ISA Certified Arborist, Brian also has Virginia Registered Technician and Commercial Applicator certifications. He enjoys using his knowledge and experience to help property owners make educated decisions for maintaining the health and beauty of their trees and shrubs.

In his free time Brian loves reading, watching movies, gaming, playing disc golf, and spending time with his family, particularly his niece and nephew.
