

Meet Your Bartlett Arborist Representative

Bryan Peach

Bryan graduated cum laude with a Bachelor of Science in Forestry from the University of Missouri in 2018.

Bryan's career in the arboriculture industry began with Bartlett Tree Experts in 2018. Because of his passion in caring for trees and shrubs, Bryan was attracted to Bartlett's scientific and holistic approach to tree care. He has served as the Chicago office's leading plant health care specialist and local office safety coordinator. Bryan's focus as an Arborist Representative is to provide the highest standard of safety, quality of work, and customer service to the clients he services in the south, west, and north sides of Chicago. As his office's newest certified arborist, practical experience in the range of services that Bartlett offers is fresh in his mind. He is excited to put that experience to work.

Bryan lives in the nearby suburb of Des Plaines with his fiancé, Bridget, and their cat, Willie Nelson. When Bryan is not out caring for trees, he enjoys spending time with family and friends, frequenting the many disc golf courses in the Chicagoland area, cooking, and playing guitar.
