

Meet Your Bartlett Arborist Representative

Chris Anhold

Chris grew up right here in the Shenandoah Valley where he developed a strong interest in the natural world. Chris graduated from Virginia Tech in 2014 with a degree in Conservation and Recreation Management. After college, he spent some time with the U.S. Forest Service and the Virginia Department of Forestry before settling back in the Valley. Chris joined Bartlett Tree Experts in 2015 and soon developed a strong interest in climbing and caring for trees. He appreciated the Company's scientific approach to tree care and commitment to research and implementation of new tree care methods. Chris built his career for eight years, learning and teaching proper tree care to clients and other Bartlett employees, prior to becoming an Arborist Representative.

Chris is an ISA Certified Arborist and TCIA Certified Treecare Safety Professional. He is committed to making a positive impact on clients' landscapes and helping maintain the incredible natural setting that the Shenandoah Valley has to offer. Chris services Staunton City and Highland County.

Outside of work, Chris enjoys woodworking, hunting, fishing, and spending time with his wife and children.
