

**BARTLETT
TREE EXPERTS**

SCIENTIFIC TREE CARE SINCE 1907

Meet Your Bartlett Arborist Representative

Chris Timperon

Chris grew up traveling with his parents on their sailboat up and down the East Coast of North America and the Caribbean. Keeping with what he loved, he began his career in the Hotel & Travel industry, which then lead him into a customer service role at the head office of TD Bank. Realizing he wanted to be in an ever-changing landscape and in the outdoors, he took Horticulture courses part time, earning Horticulture diploma at Humber College. Chris applied to a reputable tree company and learned from a very good team. He participated in the Humber Arboriculture Apprenticeship program, achieved his Ontario Certificate of Qualification and Certified Arborist ISA credentials. After a decade working in all areas of arboriculture, he joined our team at Bartlett Tree Experts accepting the opportunity to expand our existing west GTA residential and commercial business. Chris enjoys helping people learn more about their trees and how to provide these magnificent organisms the best care possible.
