Meet Your Bartlett Arborist Representative

Cory Wilson

Cory moved to Tallahassee at the age of 14. He quickly became enamored with the local tree service industry. In 2005, Cory began working in arboriculture as an arborist climber and crew leader. He developed a passion for the hard work and science involved, and knew he'd found his career. With the valuable experience Cory acquired over the years, he taught proper techniques and became a well-known name in the tree service industry in Tallahassee. In 2023, Cory joined Bartlett Tree Experts as a Crew Leader and soon became an Arborist Representative.

Cory is an ISA Certified Arborist and is Tree Risk Assessment Qualified (TRAQ). He has a passion for helping clients make informed decisions regarding their landscape and the health of their trees.

Cory is a motorsports enthusiast and loves spending time outdoors. When he is not riding his dirt bike, he can be found spending time with his wife and two children.
