

**BARTLETT  
TREE EXPERTS**

SCIENTIFIC TREE CARE SINCE 1907

## Meet Your Bartlett Arborist Representative

### Donovan Neelin

Donovan graduated from Sir Sanford Fleming in Ontario with a Diploma in Ecosystem Management. It was while studying the interactions of Ecosystems he grew a greater appreciation and understanding of flora and fauna. Donovan's passion for outdoor activities, mainly mountain climbing prompted the move out West where he has taken on many adventures in the mountains of B.C. and the Yukon. He obtained his ISA Certification and Tree Risk Assessors Qualification in British Columbia. Donovan began his career within the Arboriculture field in 2009.

Donovan worked as a climbing Arborist, assisting with training and development of staff while working as an Arborist Representative. Donovan enjoys sharing his knowledge and passion for trees, shrubs and related disease/pest issues with people on a daily basis. He is excited to be part of the Bartlett team and continue his career and growth into the future.
