Meet Your Bartlett Arborist Representative

Drew Philpott

Drew was born and raised in St. Louis, MO. He moved to Tennessee in 2014 to attend Sewanee: The University of The South, where he earned his Bachelors of Science Degree in Forestry.

Shortly after graduating, Drew started as a groundsman and then worked in various job positions in the Company including; climber, crew leader and certified plant health care specialist. He has also served as the Local Office Safety Coordinator helping to mentor new employees and focus on the continuing educational side of arboriculture.

Now, Drew is an ISA Certified Arborist as well as a Certified Tree Care Safety Professional, immersing himself in the many aspects of tree care. From a project inventorying 13,000 acres of forested land at Sewanee, to climbing mature trees and diagnosing plant health issues, caring for trees has played a major role in Drew's life.

Drew grew up on Willow Oak Lane and he loves the large willow oaks found in Tennessee. He and his wife Emily enjoy hiking, kayaking and going on long walks with their dog, Nellie.
