Meet Your Bartlett Arborist Representative

Forrest Logan

Forrest is a native of Tucker, Georgia. Raised around the “City in the Forest”, he has been captivated with the intricacies of nature since a very young age. He has a Bachelor of Science in Psychology with a Minor in Horticulture from the University of Georgia. While there Forrest worked at the nationally acclaimed UGA Trial Gardens. He then continued to follow his passion for the green industry by installing landscapes for clients in the Atlanta area. With experience that equipped him to understand both plant and human needs, Forrest began his career with Bartlett Tree Expert in 2022. He holds positions as a Plant Health Care Specialist and an Arborist Representative.

As an Arborist Representative, Forrest has access to the diagnostic resources of the Bartlett Research Laboratories. He and his team can answer all your tree and shrub care questions and provide recommendations to keep your landscape healthy, safe and beautiful.

In his free time, Forrest enjoys weightlifting, Brazilian Jiu-Jitsu, gardening, and fishing.
