

Meet Your Bartlett Arborist Representative

James Riddle

James is a Certified Arborist with fourteen years in the tree care industry. He graduated from University of Georgia in 1994 with a BS in Agricultural Engineering Management.

Born and raised in Georgia, James spent his post-graduate years as a landscaper specializing in contouring the land, installing irrigation systems and building water features. In 2001, he moved to California and turned his full professional attention to trees. He marvels at their biology and beauty, and is humbled by the many gifts they give us. He learns something new every day.

James' hobbies include playing music, camping, snow skiing, softball, and the occasional round of golf. He lives in the East Bay with his wife and two young children.
