

Meet Your Bartlett Arborist Representative

Jessica Duquenoey

Jess graduated from the University of Massachusetts Amherst with a specialty in Forest Ecology in 2018 and has continued building her knowledge of trees and forests ever since. After graduation she worked in Ecosystem Conservation, where she focused her efforts heavily on native tree propagation and forest restoration. During that time she worked in some interesting places, including an uninhabited Pacific atoll and Cuba. Next, ready to settle down, she spent two years on Cape Cod as an Arborist Climber, a Bucket Operator, and a Plant Health Care Technician. Hired in 2021 by Bartlett Tree Experts, Jess worked in the Northampton, MA office before moving to Connecticut to serve as an Arborist Representative in the Monroe office.

Jess is a Certified Arborist with the International Society of Arboriculture (ISA) and a Massachusetts and Connecticut Licensed Arborist. She is passionate about helping clients keep their trees and shrubs healthy and beautiful. Jess serves Newtown, Bethel, Seymour, Ansonia, Naugatuck, Oxford, Beacon Falls, Derby, Prospect, Bethany, Middlebury, Waterbury, and Wolcott.

In her free time, Jess enjoys reading, gardening, and caring for her fish tank.
