SCIENTIFIC TREE CARE SINCE 1907

Meet Your Bartlett Arborist Representative

Joel Spano

Joel grew up nearby in Howard County where he discovered his love for nature. His passion for trees continued to evolve while studying at the University of Maryland, College Park.

After college, Joel worked for Montgomery County's Department of Transportation, where he cared for street trees, managed street tree planting, and established relationships with many county residents.

Joel recently obtained his Graduate Certificate in Urban Forestry through Oregon State University and is looking forward to continuing his study of arboriculture.

He is an ISA Board Certified Master Arborist, Municipal Specialist, and a Maryland Licensed Tree Expert.

Joel's dedication to quality tree care for these local residents led him to Bartlett Tree Experts, where he can use a scientific approach to give customers' trees the best care available.
