Meet Your Bartlett Arborist Representative

Jonathan Frank

Jonathan discovered his passion for plants while in high school after taking a job at the local area garden center. He started in landscape design/build but ultimately chose to focus on trees and arboriculture. As an ISA Board Certified Master Arborist and ASCA Registered Consulting Arborist, Jonathan has spent his entire 20+ year career in South Florida. Jonathan holds the following credentials: ISA Certified Tree Worker/Climber Specialist, ISA Tree Risk Assessment Qualification, and is a TCIA Certified Treecare Safety Professional. Jonathan serves as the Vice President of the Florida Chapter ISA. He is also a recipient of the 2017 Florida ISA Chapter's Loren Westenberger award, for high professional principles of arboriculture to better the environment for future generations.

Jonathan joined the Bartlett Tree family in 2017 as an Arborist Representative. Jonathan and his family live in Palm Beach County and he enjoys teaching the community about trees and arboriculture. His education and experience allow him to provide the best value and care to his clients.
