## Meet Your Bartlett Arborist Representative

### Justin Bentley

A proud native Georgian, Justin grew up in the suburbs of Atlanta. He started his career in the green industry in 2002 as the owner/operator of a landscape maintenance company. While honing his technical skills to include landscape design, landscape installation, and arboriculture, Justin quickly developed a passion for the care and maintenance of trees and shrubs.

He is an International Society of Arboriculture certified arborist. Justin was drawn to Bartlett Tree Experts because he recognized the Company's standing as the leader in scientific tree care. As an Arborist Representative he is committed to using his field of skills combined with Bartlett's scientific approach to provide clients quality, personal service and the highest level of professional care.

Justin is a proud father of four children. During his free time he and his family enjoy mountain biking and being outdoors. Justin is dedicated to helping others- sharing his knowledge, time and energy to assist clients, coworkers and friends.
