

**BARTLETT
TREE EXPERTS**

SCIENTIFIC TREE CARE SINCE 1907

Meet Your Bartlett Arborist Representative

Kevin Bulla

Kevin Bulla was born and raised in Round Rock, Texas, where he spent much of his childhood hiking, biking, and camping with his family. His appreciation of nature and outdoor sports led him to employment in diverse jobs such as cave tour guide, nurseryman, and pedi-cab driver.

Kevin graduated cum laude with a Bachelor of Science in forestry from Texas A&M in 2008. He began his career in arboriculture as a research technician with the A&M Forestry Department and as a manager for a small tree company in Austin before taking a position with Bartlett. He has enjoyed both the physical challenge of climbing and the technical challenge of plant and pest identification. Kevin is a certified plant geek as well as a Certified Arborist with tree risk assessment and Texas oak wilt qualifications.

Kevin values being prompt and thorough with his clients and enjoys hearing each tree owner's story. If he wasn't in the tree industry, Kevin would love to work with animals; meeting people's dogs is a perk of the job. He has a 12-year-old border collie that can still out-hike him any day.
