SCIENTIFIC TREE CARE SINCE 1907

## Meet Your Bartlett Arborist Representative

### Kevin Clair

You could say the love of trees is in Kevin's DNA. For four generations, members of Kevin's family have been foresters in the rural town of Clair, New Brunswick.

Kevin worked as an apprentice for a tree care company while putting himself through college at the University of Maryland. After being exposed to the many facets of tree care work, he became intrigued with the science of arboriculture and started his own company after graduating.

Kevin has more than 30 years of experience. He is an ISA Board Certified Master Arborist. He is also a Maryland Licensed Tree Expert, a Certified Tree Safety Professional, has a Maryland Pesticide Applicator License and is Tree Risk Assessment qualified.
