SCIENTIFIC TREE CARE SINCE 1907

## Meet Your Bartlett Arborist Representative

### Kevin Mackenzie

Kevin started his career in the tree care industry in 1990, in Victoria, British Columbia. In 1995 he moved to Portland, Oregon where he helped run and manage two different tree care companies in the Metro area before joining Bartlett Tree Experts' San Rafael, California office in 1999. Then in 2003 Kevin started Overlook Tree Preservation, Inc. serving the Portland area. In 2022 this company was acquired by Bartlett Tree Experts.

ISA Certified Arborist and Certified Tree Worker, Kevin continues to serve his clients in the North Portland neighborhoods, including the NE, SE and surrounding SW & NW areas. One of the things that most excites him about rejoining Bartlett is that he now has the scientific/diagnostic support of the Bartlett Research Laboratories, a resource from which his clients will greatly benefit.

Kevin enjoys the company of his grown children and spending time with his wife. His hobbies include, playing hockey and golf, camping, and riding his two motorcycles.
