Meet Your Bartlett Arborist Representative

Kevin Weber

Kevin graduated with a B S in Ornamental Horticulture Environmental Design and a Minor in Business in May 2009 from Delaware Valley College in Doylestown, PA.

His career in arboriculture started in 2008 with Bartlett Tree Experts when he joined the company as a summer intern. Since then, Kevin has worked in several leadership roles with Bartlett. His extensive background as a production and consulting arborist provides the foundational skills for his arboricultural assessments, training and client interaction. His ability to blend technology and arboriculture provides the framework for solutions to meet client goals. Kevin is an ASCA Registered Consulting Arborist and an ISA Board Certified Master Arborist.

He enjoys spending family time with his wife, daughter and multiple species of animals at home. Kevin enjoys cycling the back roads in Berks and Chester counties and “tinkering” with anything in his shop at home.
