

**BARTLETT  
TREE EXPERTS**

SCIENTIFIC TREE CARE SINCE 1907

## Meet Your Bartlett Arborist Representative

### Madolyn Henderson

One thing is for sure, Madolyn Henderson has a passion for all things green! Madolyn grew up in Arkansas, helping her family on their tomato farm and designing floral arrangements for local farmers' markets. She even created the floral arrangements for her own wedding. Madolyn has worked with plants most of her life and knew her passion needed to intertwine with her career goals.

Madolyn attended The University of Arkansas and graduated with a B.S. degree in Horticulture. After, Madolyn was hired by Bartlett Tree Experts as a Plant Health Care Specialist, providing her with both field experience and the opportunity to increase her knowledge of the Low Country's landscapes. Now, as an Arborist Representative, she is excited to use her knowledge and passion to provide clients with solutions to keep their trees and plants healthy and thriving.

In her down time, you might see Madolyn running and biking on the local greenways, picking up cool plants at a local nursery and hanging out with her dog, Gypsy.
