### Mitchell Billeter

Mitchell has been in the tree care industry since he started with Bartlett Tree Experts in 2015. Over the years, he has gained valuable personal experience in all aspects of tree care from pruning to soil care to insect and disease management. He takes great pride in offering unique solutions to enhance and care for clients' trees and landscapes.

Mitchell graduated from Virginia Tech with a bachelors degree in Environmental Science. He was born and raised in Mechanicsville along with his two brothers and his sister.

He services the Mechanicsville community as an Arborist Representative.

Mitchell is married and enjoys spending time fishing and metal detecting for Civil War relics when he's not with his two dogs.
