SCIENTIFIC TREE CARE SINCE 1907

Meet Your Bartlett Arborist Representative

Nicholas Lavallee

Nick began his career with Bartlett Tree Experts in 2010, working in Waltham, Massachusetts as an Arborist Climber. He advanced quickly to become a respected Crew Leader.

Nick has immersed himself into learning about tree identification and the practice of using Bartlett's scientific approach to plant health care.

During his tenure with Bartlett, he became part of a special multi-year initiative dedicated to combating Asian Longhorned Beetles. This and his many other experiences have gained him knowledge in all aspects of tree care.

In Nick's off hours he like to spend time with his wife, Mariel, rock climbing, and producing music.
