

**BARTLETT
TREE EXPERTS**

SCIENTIFIC TREE CARE SINCE 1907

Meet Your Bartlett Arborist Representative

Paul Mullins

Paul Mullins has always had an interest in trees and plants; cultivated in the footsteps of his father, a career arborist. After graduating from Francis Scott Key High School, Paul began his career with Bartlett in 1999 as an Arborist Groundperson. He quickly took to tree work and enjoyed working outdoors. He learned the skills necessary to advance his career and was excited to try any opportunities that he was given. Paul quickly became an Arborist Climber and was an Arborist Crew Leader in the Baltimore Office for 15 years. He learned about tree biology, insects, and diseases and was promoted to a Plant Healthcare Specialist. Paul truly enjoys taking care of landscapes and educating people about trees and shrubs. He continued his education by achieving ISA certification and the Maryland Licensed Tree Expert credential.

Paul is married to his high school sweetheart and has two children. In his free time, Paul coaches youth sports and enjoys kayaking.
