

BARTLETT
TREE EXPERTS

SCIENTIFIC TREE CARE SINCE 1907

Meet Your Bartlett Arborist Representative

Payton Kraus

Payton started caring for trees at the age of 20, and has been enjoyed working in the field of arboriculture ever since.

She graduated from Miami University with a degree in Environmental Science and Botany in 2017.

After placement as a Plant Healthcare Specialist for Bartlett Tree Experts in March 2019, Payton made the transition to the title of part-time Arborist Representative in May 2020. She passed her International Society of Arboriculture Arborist certification soon afterward. She is now a full-time Arborist Representative and looks forward to offering advice to clients about the condition of the trees and shrubs on their properties.

In her free time, Payton enjoys puzzles, hiking with her dog, Arya, and game nights with friends.
