

**BARTLETT
TREE EXPERTS**

SCIENTIFIC TREE CARE SINCE 1907

Meet Your Bartlett Arborist Representative

Peter Daly

Peter is an ISA Certified Arborist with a Bachelor's degree from DeSales University. His love of horticulture began while working at an established plant nursery in nearby Chester County, but it was an opportunity in Norwalk, Connecticut that ignited his passion for arboriculture. There he worked for a small, reputable plant health care company that focused on a scientific approach, used critical thinking and emphasized that all business is personal. It is his production and sales experience gained here that he brought with him to Bartlett in 2016.

Peter strives to maintain long-term client relationships and be a resource for them to count on. Peter lives in Wilmington, DE with his wife, their dog, and two cats. He loves spending time with his family, playing the drums, and going to see live music.
