## Meet Your Bartlett Arborist Representative

### Phil Fitch

Phil Fitch has been a certified arborist for over a decade, and in 2017 he realized his dream of becoming a Board Certified Master Arborist. This designation is a reflection of Phil's love of trees and his desire to strive to increase his knowledge and awareness of the best practices in arboriculture. He has worked as a tree care expert in Chicago and the surrounding suburbs since 2005 and is proud to call Bartlett Tree Experts his new home. Phil has experience in servicing thousands of residential properties in addition to commercial, municipal and institutional properties with complex tree care needs. Phil has lived in Chicago since 2005, and has a depth of knowledge and experience as a local expert that is second to none. Phil was born in Seattle and grew up in Elmhurst, IL. He studied at Western State Colorado University and graduated in 2004 with a B.A. in Environmental Studies and a Biology minor. Phil currently resides in the North Center neighborhood of Chicago with his wife and young daughter. When Phil is not out caring for trees he enjoys spending time with family and friends, exploring new restaurants in the neighborhood, and singing the occasional karaoke song. Phil's adrenaline loving side enjoys mountain biking, skiing, rock climbing, and camping.
