Meet Your Bartlett Arborist Representative

Riley Eddins

Riley has a degree in Urban Forestry with a concentration in Plant Pathology from Rutgers University School of Environmental and Biological Sciences. While in college he interned with Bartlett Tree Experts and was awarded the Bartlett Scholarship for his hard work and academic achievements. After graduating in 2018, Riley joined the Company and among other projects, worked with the New York City Parks Department to restore and revitalize natural areas and parks by controlling invasive species, managing wildfires, and planting trees. Riley held the position of Plant Health Care Specialist prior to becoming an Arborist Representative.

An ISA Certified Arborist, Riley is also Tree Risk Assessment Qualified (TRAQ) and is a Licensed Pesticide Applicator in New Jersey and New York. He is dedicated to keeping landscapes in a healthy and balanced symbiotic relationship with the environment. Riley enjoys cooperating with clients to help them achieve their landscape goals.
