

Meet Your Bartlett Arborist Representative

Robert Hearne

Bobby spent much of his youth living on a heavily wooded property in southeast Texas where he developed a love of nature and spending time outdoors. His interest in ecology and geology inspired him to earn a Bachelor of Science in Forestry from Stephen F. Austin State University. He joined Bartlett Tree Experts in 2018 as a Plant Healthcare Specialist and advanced within the company to Commercial Arborist Representative.

An ISA Certified Arborist, Bobby is also an ISA Certified Tree Risk Assessor, and Texas Department of Agriculture Certified Applicator. He enjoys meeting people and providing sound recommendations for the care of their wonderful trees.

In his free time, Bobby enjoys spending time outdoors with his family, watching movies, and listening to live music. The stunningly beautiful and unique magnolia is Bobby's favorite tree.
