## Meet Your Bartlett Arborist Representative

### Robert Palochak

A Pittsburgh native, Rob studied criminal justice at Community College of Baltimore and Geneva College. However, he realized his true passion was to be outdoors so chose instead to pursue his strong interest in arboriculture. Rob joined Bartlett Tree Experts in 1999. He held a variety of positions including Crew Leader and Plant Health Care Specialist prior to Arborist Representative. Throughout his career plant health care has been Rob's key focus.

An ISA Certified Arborist, Rob draws on his knowledge and extensive field experience to provide sound recommendations for tree and shrub care. He takes great pride and enjoyment in managing and maintaining clients' landscapes.

In his free time, Rob enjoys traveling and camping. He and his wife, Jennifer, have two children.
