

**BARTLETT  
TREE EXPERTS**

SCIENTIFIC TREE CARE SINCE 1907

## Meet Your Bartlett Arborist Representative

### Ryan O'Leary

Ryan has been involved in the tree care industry since 2007. He has always had a strong interest in trees and a love for the outdoors. Currently he is a regional commercial arborist servicing the state of Connecticut.

Ryan holds a Connecticut arborist license, supervisory pesticide applicator licenses in both Massachusetts and Connecticut, and is a Certified Tree Care Safety Professional.

His areas of his expertise include insect and disease management, vegetation management, tree preservation, and large scale construction projects.

Ryan always enjoyed being outside as a child. His summers were spent working in the green industry on golf courses and with local landscapers. Developing a passion for trees through work, he quickly realized that arboriculture was the career path for him. Ryan currently resides in Stamford, CT and enjoys fishing, hiking, and spending time with his dog, Odie.
