

**BARTLETT  
TREE EXPERTS**

SCIENTIFIC TREE CARE SINCE 1907

## Sam Dilettoso

Sam developed an appreciation for nature as a child in Arizona and has explored national forests and parks throughout the state. He has a degree in Parks and Recreation Management, with an emphasis in Forestry, from Northern Arizona University in Flagstaff. During college, Sam's skills in practical arboriculture were also strengthened by his participation in logging sports. In 2018, Sam accepted a position with Bartlett Tree Experts in Texas, he held positions as a Production Arborist and a Plant Health Care Technician prior to becoming an Arborist Representative. In 2022 Sam relocated to Colorado to be the Local Manager of the Boulder Office.

An ISA Certified Arborist, Sam uses his knowledge and field experience to help clients maintain their properties. In addition, he has the diagnostic resources at the Bartlett Research Laboratories at his disposal. Sam gains satisfaction when clients' trees and shrubs he has cared for transform into healthy, beautiful and sound contributors to the ecosystem.

In his free time, Sam enjoys exploring all that Colorado has to offer with his dog, Cinder.
