

**BARTLETT  
TREE EXPERTS**

SCIENTIFIC TREE CARE SINCE 1907

## Meet Your Bartlett Arborist Representative

### Simon Cooper

Simon began his career in 2011 with an apprenticeship at Bartlett Tree Experts. He stayed with the company, achieved a Level 2 Diploma in arboriculture, and quickly progressed to the position of Arborist Climber. In 2014, Simon moved to Norway, where he further developed his skills and experience in the industry working as a self-employed tree climber. Upon his return to England, Simon continued in arboriculture and ran his own successful business. In 2024, Simon rejoined Bartlett Tree Experts.

As an Arborist Representative, Simon is backed by the diagnostic resources of the Bartlett Research Laboratories. He enjoys helping clients make informed decisions to maintain the health of trees and shrubs and achieve their goals for their properties.

When he is not at work, Simon enjoys spending time with his partner and two boys dog walking and exploring the woodlands and countryside.
