

**BARTLETT
TREE EXPERTS**

SCIENTIFIC TREE CARE SINCE 1907

Steve Hegedus

Steve has worked in the arboriculture industry for over 18 years. His passion for trees began in his home state of Vermont as a member of a selective logging crew. Steve has performed every job role in production, including the positions of Groundsman and General Foreman. He has on the job knowledge of fine pruning, plant health care, and technical hazardous removals.

Steve moved to San Francisco in 2007 and has enjoyed educating himself about the species of the West coast.

He is a Certified Arborist, Tree Risk Assessor, Qualified Applicator, and a Certified Tree Care Safety Professional. Currently he is preparing for the Master Arborist exam.

Steve's philosophy is to highlight each tree's unique form to emphasize its beauty while practicing safety above all else.

He returned to Bartlett Tree Experts after gaining experience in safety, training, operations and sales management roles for other companies in Northern California. Steve is excited to be part of the Redwood City team as an Arborist Representative!
