

**BARTLETT
TREE EXPERTS**

SCIENTIFIC TREE CARE SINCE 1907

Meet Your Bartlett Arborist Representative

Taylor Breinich

Taylor grew up in the Lehigh Valley region where she developed a love for the outdoors and nature, climbing every tree she could see. She took this passion for the environment to Virginia where she earned a Bachelor of Science degree in Environmental Biology from Liberty University. Taylor also earned a Master of Public Health from Liberty and then spent several more years in the Blue Ridge Mountains before returning to her hometown to pursue a career in the tree care industry. She joined Bartlett Tree Experts, where she combines her education with her love for nature and the outdoors.

Taylor held the role of Plant Health Care Specialist prior to becoming an Arborist Representative. She is a licensed Pesticide Applicator and is currently pursuing accreditation as a Certified Arborist with the International Society of Arboriculture (ISA).

Taylor enjoys hiking, rock-climbing, and camping around a good fire in her free time.
