

Meet Your Bartlett Arborist Representative

Travis Shaw

Travis began his career at Bartlett Tree Experts in 2013.

Upon graduating from West Chester University, Travis moved to Western North Carolina. He began working for a small landscaping and tree care company and this developed into a passion for arboriculture.

After a year, he returned to Pennsylvania and he joined Bartlett Tree Experts as a climber trainee. He progressed in his career and advanced to the positions of Plant Health Care Specialist as well as a Crew Leader.

Travis has also attained the credential of ISA Certified Arborist and has become a Commercial Pesticide Applicator. His commitment to high quality tree care led him to his current position of Arborist Representative.

In his free time he enjoys spending time with his three children and wife doing anything that involves being outside.
