SCIENTIFIC TREE CARE SINCE 1907

Meet Your Bartlett Arborist Representative

Trevor Bliss

Trevor's interest in the outdoors started when his family moved from suburban Rochester to a rural area and inspired him to study Natural Resource Conservation at Finger Lakes Community College. There, he developed a love for trees and after graduating in 2014, he began performing tree work for a municipality in the region.

Having decided to build his career in the arboriculture, Trevor joined Bartlett Tree Experts in 2019. He was a Climber prior to becoming an Arborist Representative.

Trevor has a passion for the scientific aspects of tree care and is dedicated to helping every client preserve their trees and shrubs.

In his free time, Trevor enjoys doing things that keep him outside, like fly fishing, hiking, and golfing.
