Meet Your Bartlett Arborist Representative

Zachary Ainslie

Zach grew up outside of Philadelphia where he developed a love for the outdoors at an early age. This passion for the outdoors took him to New York where he pursued an Associate's Degree in Forest Technology. Zach then went on to ESF in Syracuse where he received a Bachelor's of Science in Forest Resource Management.

Returning to southeastern Pennsylvania in 2006, he began working in the tree care industry. He was able to merge his love of nature with his education.

Zach continues to work in arboriculture, plant health care and in landscape management. He is an ISA Certified Arborist and a licensed Pesticide Applicator.

Zach enjoys hiking, fishing, backpacking, and rock-climbing in his free time.
