SCIENTIFIC TREE CARE SINCE 1907

Meet Your Bartlett Arborist Representative

Brandon Frazier

Brandon joined Bartlett Tree Experts in 2013, with the desire to combine his love for customer satisfaction and a forestry background. Brandon was drawn to Bartlett because of their scientific and holistic approach to tree care. His knowledge of arboriculture was developed from the ground up, where he has gained valuable experience in pruning, soil care, and insect/disease management.

Brandon graduated from The Pennsylvania State University with a bachelor's degree in Forestry Science. While at Penn State, he joined the Professional Honorary Agricultural Fraternity, Alpha Zeta. He is also a member of the Mid-Atlantic Chapter of the International Society of Arboriculture (ISA) and a Certified Arborist (MA-5565A).

Outside of work, Brandon and his wife, Molly, foster their love for the outdoors by camping, canoeing, and taking rides on their motorcycle. Brandon looks forward to providing unique solutions to enhance clients tree's and landscapes in the Northern Neck and surrounding areas of Virginia.
