

**BARTLETT
TREE EXPERTS**

SCIENTIFIC TREE CARE SINCE 1907

Meet Your Bartlett Arborist Representative

Brian Barbre

After graduating from the University of Mary Washington in 2006, he earned his Masters in Forest Ecology and Management from Michigan Technological University. Brian also spent two years as a Conservation and Natural Resource Volunteer in the Peace Corps, Ethiopia where his passion for trees, ecology, and environmental education grew.

Brian has been in the tree care industry since he started with Bartlett Tree Experts in 2014. He was initially attracted to Bartlett's scientific and holistic approach to tree care. Over the past few years, he has gained valuable personal experience in all aspects of tree care from pruning and soil care to insect and disease management. He takes great pride in offering unique solutions to enhance and care for clients' trees and landscapes as an ISA Certified Arborist and Tree Risk Assessor.

When not caring for your trees, he enjoys playing music, woodworking projects, and enjoying the outdoors with his wife.
