Meet Your Bartlett Arborist Representative

Erik S. Grossnickle

Erik brings the very latest technological advancements in the field of arboriculture to Chicagoland. His growing national reputation stems from the expertise he shares with commercial, institutional, and municipal clientele. Erik has extensive experience in construction and preservation related tree management, university and corporate campuses, large scale projects, public gardens, HOA's, inventories, condominium associations, property management firms, and privately owned properties. Erik has developed comprehensive, nationally acclaimed management plans for discriminating clients. He has been featured on television networks such as WGN for his sustainability focused approaches in arboriculture. Erik was elected by his peers to serve as Commercial Chair on the Board of Directors of the Illinois Arborist Association, and serves on the Board of Directors for the Lincoln Park Conservancy. He chairs the Public Way Committee of The Magnificent Mile Association. He has received numerous honors for his contributions to Chicago's urban forest including the Exceptional Leadership Award. Erik's daily interactions celebrate the importance of every potential client who shares his love of trees and their care.
