SCIENTIFIC TREE CARE SINCE 1907

Ethan Crockett

Ethan grew up in Midlothian, Virginia. While at Virginia Tech, his arboricultural background began with internships, including one at Bartlett Tree Experts. During that time, in addition to residential work, he also gained knowledge of commercial and utility arboriculture.

After graduating with a B.S. in Urban Forestry and Arboriculture, Ethan spent several years working for a California-based tree care company in San Francisco and San Diego. Caring for trees native to those areas greatly contributed to his professional experience. He holds the following certifications: ISA Certified Arborist, ISA Tree Risk Assessment Qualification, TCIA Certified Tree Care Safety Professional, and Virginia Commercial Applicator.

Ethan returned to Bartlett Tree Experts as an Arborist Representative in 2011, working in the same office where he first learned how to prune and care for trees. In 2014, he earned a promotion to Local Manager of the Richmond and Northern Neck offices. He continues to manage commercial and residential accounts, with a focus on Homeowners Associations and Elder Care Facilities.

He looks forward to serving clients in Richmond, Henrico, Goochland, Hanover, and the surrounding areas.

Ethan and his wife Elise reside in the city of Richmond. Outside of work, Ethan spends a lot of time cycling and is an avid user and supporter of Pocahontas State Park and the James River Park System.
