

Meet Your Bartlett Arborist Representative

Gareth Tudor-Jones

Gareth's "tree career" started in the pine and eucalyptus plantations of South Africa where he worked as a Qualified Forester for over 10 years. He managed harvesting and silvicultural operations on various plantations in the Western Cape, as well as leading various conservation projects and fire protection activities. Gareth and his family immigrated to Canada in 2001, and Gareth decided to enter the world of Arboriculture. He was immediately swept up by the challenges and excitement of the industry.

Gareth has worked at Bartlett Tree Experts for 17 years. He is an Arborist Representative serving Highlands, Duncan, Shawnigan, Mill Bay, Saanich, and View Royal. Previously he was the Safety and Training Coordinator for Bartlett operations in Canada for 13 years and earlier a Crew Leader. His work credentials include: ISA Certified Arborist, BC Certified Tree Faller, ISA Certified Tree Worker, ISA Certified Tree Risk Assessor, TCIA Certified Tree Safety Professional.

Gareth is an avid climber. His growth and passion for tree climbing resulted in four BC tree climbing championship titles and two Pacific Northwest titles - after which he went on to compete twice at the international tree climbing championships.
