

**BARTLETT  
TREE EXPERTS**

SCIENTIFIC TREE CARE SINCE 1907

## Meet Your Bartlett Arborist Representative

### Gene Basler

When Hurricane Ike struck in 2008, Bartlett's new Houston office put out a call for backup.

Bartlett Arborist Gene Basler came from his home in San Antonio with crews and trucks and never looked back. A 14 year Bartlett employee, Gene is now in his 9th year as Local Manager of the Houston and Woodlands offices. Gene is an ISA Board-Certified Master Arborist, Tree Risk Assessment Qualified, and TCIA-Certified TreeCare Safety Professional. He is a member of the Trees for Houston Board of Directors

and is immediate past president of the Houston Area Urban Forestry Council. Gene places special emphasis on soil nutrition and plant disease prevention through cultural corrections, and maintains an ever-expanding database of soil data from over 2,200 soil reports from in and around Houston. Gene resides in Harris County with his wife of 17 years, Susie, and his children, San Antonio native Julien and Houston native Marlo Jayne.
