SCIENTIFIC TREE CARE SINCE 1907

## Meet Your Bartlett Arborist Representative

### Isaac Boyes

Isaac's passion for tree care and the outdoors started at a very young age, and in 2011 he began his career with Bartlett Tree Experts. Isaac continued to develop his arboriculture knowledge through various educational opportunities and in the field as an Arborist Climber and Crew Leader, leading to his experience as a Plant Health Care Specialist. Now as an Arborist Representative, Isaac provides expert care for our clients' trees and shrubs including diagnostics and treatment of pest and disease issues and scientific soil care. Isaac is a certified arborist with the International Society of Arboriculture and a Licensed Exterminator. Isaac has become a very knowledgeable and skilled arborist, yet knows that his pursuit of understanding every aspect of arboriculture will be a life long journey.
