Meet Your Bartlett Arborist Representative

Jason Coiner

Jason Coiner, a lifelong Virginia resident, has been involved in both the tree care and landscape industry for 20 years. He started in the nursery and landscape business while in high school before earning his Bachelor of Science in Horticulture at Virginia Tech in 2005. He joined Bartlett Tree Experts 11 years ago in order to expand on his experience and knowledge of trees. He moved through the ranks as a production employee and earned his ISA Certified Arborist credential in 2011. In October 2012, he ultimately earned his place here in Fredericksburg as the Local Manager and artfully made a seamless transition to our community. Attracted to Bartlett's scientific approach to tree care, Jason will continue to learn and grow within the company and the industry in order to best serve the community. He enjoys spending time with his wife and their dog Dale, hunting, fishing, and pursuing personal challenges.
