

**BARTLETT  
TREE EXPERTS**

SCIENTIFIC TREE CARE SINCE 1907

## Meet Your Bartlett Arborist Representative

### John Swaringen

John grew up in North Carolina, where he developed a love of the outdoors at an early age. He attended the University of North Carolina at Chapel Hill. John has been with Bartlett since 2001. He started out as an IPM Monitor, which gave him a good foundational knowledge of the water needs of trees and shrubs. John worked his way to become a chief IPM Monitor for Bartlett Tree Experts, specializing in pesticide use and water management in the landscape.

John has been the head of the Irrigation Department in Bartlett's Osterville office since 2005, installing and maintaining irrigation systems on client properties throughout Cape Cod and making sure the water needs of their landscape plants are properly managed.
