## Meet Your Bartlett Arborist Representative

### Josh Darkow

Josh spent his summer months working on his family's farm in his childhood years. He's been passionate about forestry since then.

He earned a Bachelor of Science degree in Forestry from Virginia Tech's College of Natural Resource. During his studies at Virginia Tech, Joshua served 8 years with the Virginia National Guard and was deployed overseas.

Attracted by Bartlett's scientific approach to tree care, Josh joined the Springfield office in 2007 as a Plant Health Care Technician. Since then he has gained experience in several positions, as a Climber and Crew Foreman. He is currently an Arborist Representative.

Josh manages residential and commercial properties in Alexandria and Lorton. His expertise and knowledge help him advise clients about their tree and shrub care goals.
